Incidents and Maintenance

Two guest incidents were logged this week. A minor water intrusion in room 714 was addressed within two hours of report; no guest impact recorded. A malfunctioning ice machine on the pool deck was serviced by the facilities team on November 26 and returned to service the same day. No outstanding safety items as of report date.

Upcoming Events

The Kahului corporate group (140 guests) is scheduled to arrive December 4 for a four-night buy-out of the Hala wing. Banquet team is confirmed. Pre-arrival communication sent to all department heads on November 27. The annual staff recognition dinner is scheduled for December 12 in the Makai Ballroom.

GM Notes

Q4 performance continues to track above revised projections. The spa renovation pre-construction assessment is completed. Contractor selection is pending final review by ownership. Staff retention for housekeeping is improved from Q3; the revised shift structure appears to be contributing positively.
